All Other concerned

Please be advised that the **TRAINING-WORKSHOP CAMP FOR SCIENCE TEACHERS AND LEARNERS OF SDO IRIGA CITY** scheduled **March 17-19, 2026** is **POSTPONED INDEFINITELY**, for the reason that the Philippine Space Agency (PHILSA) informed this office on their compliance with Memorandum Circular No. 114, s. 2026, issued March 6, 2026, which mandates all government agencies to:

- Strictly adopt energy conservation protocols.
- Limit official travel to essential functions.
- Restrict travel when objectives can be achieved through alternative modalities.

All planned physical deployments and travel associated with PHILSA's education and outreach programs are suspended while these protocols remain in effect. PHILSA values our strong collaboration and intends to explore opportunities to reschedule or conduct similar activities once circumstances permit. PHILSA will keep us informed of any updates regarding the status of these national mandates.

For your information and guidance.
