DIVISION MEMORANDUM
NO. 184, s. 2026

PARTICIPATION TO THE 2026 MASTER DENGUE SLAYER SUMMER PROGRAM

To: Assistant Schools Division Superintendent
Chief SGOD & CID
TWG Member – SBFP
OIC Public Schools District Supervisors
All Public & Private Secondary School Heads
All Other Concerned

1. This Office is forwarding Regional Memorandum No. 0476, s. 2026 and the letter from Junior Achievement (JA) Philippines regarding the conduct of the 2026 Master Dengue Slayer Summer Program, initiated by JA Philippines in partnership with the Asia Dengue Voice and Action Group.
2. This activity aims to inspire and empower learners to develop innovative solutions to combat the dengue crisis and raise awareness within their communities. It includes the 3rd Dengue Slayers Challenge 2026, a competition open to learners from Grades 7 to 10. The national winner will have the opportunity to represent the Philippines in the international competition in Singapore.
3. In this regard, all School Heads are encouraged to inform and support interested learners to participate in this worthwhile endeavor. The essential details of the program are as follows:
 - a. Target Participants : Learners from Grades 7 to 10
 - b. Team Composition : Maximum of three (3) members per team
 - c. Program Duration : March 2026 – June 2026
 - d. Key Activities and Timeline :
 - e. March 12 – 30, 2026 : Team Registration
 - f. Registration Link : bit.ly/MasterDengueSlayer2026
 - g. Facebook Group : <https://bit.ly/4rnCiP>
 - h. April 6, 2026 : Release of Online Materials
 - i. May 4, 2026 (8:30 AM – 12:00 PM) : Orientation and Workshop Activity

DepEd - Region V

Greetings from Junior Achievement of the Philippines!

Junior Achievement Philippines is excited to be organizing the **summer program, Master Dengue Slayer 2026**, a challenge focused on addressing the global dengue endemic Asia Dengue Voice and Action Group & Junior Achievement. This initiative aims to inspire and empower students to develop innovative solutions to combat the dengue crisis and to raise awareness within their communities

As we continue our mission to educate, encourage, and empower Filipino youth, we are thrilled to present a prestigious global competition: the Master Dengue Slayer 2026. This summer program is designed to inspire students to solve real-world problems through scientific innovation. The Master Dengue Slayer 2026 empowers students to tackle one of the most pressing public health challenges: Dengue. Participants will design innovative solutions, such as vaccines, diagnostics, or AI models, to combat this disease.

The **3rd Dengue Slayers Challenge 2026**, "*Innovate. Influence. Eliminate Dengue.*" will evolve this model by empowering students not only to create solutions but also to become influential advocates. The 2026 program will place a strong emphasis on short-form video storytelling and social media, equipping the next generation to drive widespread behavioral change and community action.

We are pleased to invite **200 students – 66 teams with a maximum of three (3) members per team** from **Region V** to participate in Master Dengue Slayer 2026 and collaborate with us in inspiring and empowering students to address the dengue crisis through innovation and advocacy.

To further motivate our young innovators, we are proud to announce a high-stakes incentive for program excellence: The winner of The Master Dengue Slayer program will be granted the **prestigious opportunity to represent the Philippines in Singapore**. This international exposure will allow our top talent to engage with global leaders and further solidify their path toward excellence.

Objectives

- Promote youth-driven innovation in dengue prevention and community health.
- Strengthen communication and advocacy skills among students through short-form video storytelling.
- Amplify dengue awareness via social media, extending the reach of student-led initiatives.
- Encourage cross-country collaboration and exchange of ideas among youth in Asia.
- Foster partnerships between schools, government agencies, NGOs, and the private sector to sustain youth engagement in public health.

Below are the essential details:

Program Overview:

- **Target Audience:** For the science-driven changemaker **Grade 7-10 students**
 - Eager to design solutions (vaccines, diagnostics, AI models) to combat dengue.
 - Thrives in labs, fieldwork, or cross-disciplinary collaborations
 - Passionate about public health, biology, engineering, or data science.
- **Program Duration:** March 2026 - June 2026

Cc: Jilliane Chan; Alaine Tan; Paula Patrice Dela Cruz
Subject: Call for Participation: The Master Dengue Slayer Competition 2026
Attachments: [Invitation Letter-Region 5] JA Dengue Slayer.pdf

Dear Mr. Gilbert Sadsad,

Greetings from Junior Achievement of the Philippines Inc.,!

We are pleased to invite the **Department of Education – Region V** to participate in **Master Dengue Slayer 2026**, a **summer program** that empowers students to develop innovative solutions addressing the dengue crisis. This initiative, organized in partnership with the Asia Dengue Voice and Action Group, aims to inspire young changemakers to apply scientific innovation, advocacy, and creativity to combat one of the region's most pressing public health challenges.

We are honored to invite up to **200 students (66 teams with a maximum of 3 members per team)** from **Grades 7-10** to participate in this exciting learning opportunity. They will design potential solutions such as vaccines, diagnostic tools, or AI-driven models, while also strengthening their communication skills.

Please find the **official invitation letter** attached, which includes the full program overview, timeline, and participation details.

Teams may register through this link: bit.ly/MasterDengueSlayer2026.

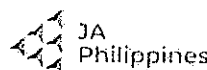

We would be grateful for your support in encouraging schools and students in your region to participate in this initiative.

Should you have any questions or wish to discuss the program further, please do not hesitate to reach out to us.

Thank you very much for your continued support in empowering Filipino youth. We look forward to your positive response.
