June 4, 2026

In compliance with DepEd Order (DO) No. 8, s. 2013  
this advisory is issued not for endorsement per DO 28, s. 2021,  
but only for the information of DepEd officials,  
personnel/staff, as well as the concerned public

**2<sup>nd</sup> INTERNATIONAL CONGRESS ON PINEAPPLE 2026 (ICoP 2026)**

Please be informed of Advisory No. 141, s. 2026 regarding the 2nd International Congress on Pineapple 2026 (ICoP 2026) to be hosted by Camarines Norte State College (CNSC) on September 8–10, 2026 at the CNSC Main Campus, Daet, Camarines Norte.

The congress aims to bring together stakeholders from various sectors worldwide to share research findings, exchange ideas, and strengthen collaborative initiatives for the advancement of the pineapple industry.

Participation of learners and teachers from both public and private schools is purely voluntary and must not disrupt instructional time. Likewise, the activity is subject to existing DepEd policies on off-campus activities and the no-collection policy.

For interested participants, please refer to the attached advisory for complete details and registration information.

**2<sup>nd</sup> INTERNATIONAL CONGRESS ON PINEAPPLE 2026 (ICoP 2026)**

The Camarines Norte State College (CNSC) is inviting participants to the 2<sup>nd</sup> International Congress on Pineapple 2026 (ICoP 2026), which will be held on 08-10 September 2026, at the CNSC main Campus, Daet, Camarines Norte.

This international gathering aims to convene stakeholders from various sectors across the globe to foster meaningful dialogue, share cutting-edge research, and strengthen collaborative initiatives for the advancement of the pineapple industry.

Should you want to learn more about the conference, kindly see the attachment for further details and information.

Participation to this event of learners and teachers from public and private schools shall be purely voluntary and shall not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 9, s. 2005 titled Instituting Measures to increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges, and Universities (Ganzon Law).

For information.

**Subject:** Invitation: 2nd International Congress on Pineapple (ICoP 2026) – Daet, Philippines

You don't often get email from qprdi@cns.edu.ph. [Learn why this is important](#)

DEAR SIR/MA'AM:

The Camarines Norte State College (CNSC), through its Office of the Vice President for Research and Extension (OVPRE) and the Queen Pineapple Research and Development Institute (QPRDI), in partnership with the Tropical Fruit Network (TFNet), the Philippine Fruit Association (PFA), and Universiti Teknologi MARA (UiTM), cordially invites you and your institution to participate in the 2nd International Congress on Pineapple 2026 (ICoP 2026) to be held on 8–10 September 2026 at the CNSC Main Campus, Daet, Camarines Norte, Philippines.

Anchored on the theme, “Pineapple Response to Innovative Farming Technologies, Resource Optimization, and Climate Challenges for Better Harvest and Global Profitability,” this premier international gathering aims to convene academicians, researchers, pineapple experts, scientists, extension practitioners, industry leaders, agribusiness stakeholders, policymakers, development partners, students, and farmers from across the globe to foster meaningful dialogue, share cutting-edge research, and strengthen collaborative initiatives for the advancement of the pineapple industry.

ICoP 2026 offers a dynamic platform for participants to engage in:

- Keynote and Plenary Sessions led by renowned international and local experts
- Technical Paper and Research Presentations showcasing latest studies and innovations
- Panel Discussions on emerging agricultural and industry trends
- Technology Exhibits and Innovation Showcases featuring modern tools and solutions
- Networking and Partnership Opportunities with global experts and institutions

Participants will also be eligible to earn Continuing Professional Development (CPD) points, supporting their professional growth and advancement.

Attached herewith are the draft programme of the congress and the registration fee for your

reference.

We sincerely hope for your favorable response and would be honored by your participation in this prestigious international forum.

For inquiries and coordination, you may contact us through Dr. Arlene Alegre using the contact information in the footer.

Thank you very much, and we look forward to welcoming you to ICoP 2026.

Very truly yours,

ATTY. RYAN L. ESTEVEZ, DPA  
SUC President III  
Camarines Norte State College

**2<sup>nd</sup> International Congress on Pineapple**  
September 8-10, 2026 | Davao, Camarines Norte, Philippines

12 May 2025

DR. GILBERT T. SAUSAD  
Regional Director  
Department of Education (Region 4) - Region V  
Barreras, Ilog-Ilog City

Dear DR. GILBERT T. SAUSAD:

The Camarines Norte State College (CNOSC), through the Office of the Vice President for Research and Innovation (OVPI) and the Green Pineapple Research and Development Institute (GPRDI), in partnership with the Sugar, Fruit and Nut (SFRN), the Philippine Fruit Association (PFA), and University Technology MANA (UTMA), is proud to host the 2<sup>nd</sup> International Congress on Pineapple (ICoP 2026). This premier event will be held from September 8-10, 2026, at the CNOSC Main Campus.

Aligned to the theme, "Pineapple Resilience to Innovative Farming Technologies, Resource Optimization, and Climate Challenges for Better Harvest and Global Profitability," this gathering aims to convene:

- Academicians, researchers, and scientists;
- Industry leaders and agribusiness stakeholders;
- Policymakers and development partners;
- Students and local farmers from across the globe.

Our goal is to serve as an avenue for meaningful dialogue and share cutting-edge research to advance the pineapple industry in the province and the country. We believe that involving our youth and academic communities is essential to fostering the next generation of agricultural innovators.

In line with this, I am writing to respectfully request your assistance in the dissemination of this information to high schools under DepEd Region V. We also humbly seek your support in sharing this invitation with other Regional Offices across the country to encourage nationwide participation. We would be pleased to provide digital brochures, infographics, and official posters that schools may use for their bulletin boards or social media pages to inform students and faculty about the significance of this international event.

We believe your support in broadening this invitation within the basic education sector will greatly contribute to the success of ICoP 2026 and highlight our province's role as a global hub for pineapple research. Thank you for your time and your continued support of our local academic and industrial institutions.

Very truly yours,

ATTY. RYAN L. ESTEVEZ, DPA  
SUC President III  
Camarines Norte State College
