Office of the OIC- Schools Division Superintendent

DIVISION MEMORANDUM

September 8, 2026

No. 470, s. 2026

**DIVISION TRAINING ON ADVANCING THE GULAYAN SA PAARALAN PROGRAM
THROUGH MODERN AND URBAN GARDENING TECHNOLOGIES**

**TO: Assistant Schools Division Superintendent
Chief, SGOD
School Health Section
School Heads (Elementary & Secondary)
All Others Concerned**

1. Consistent with **DepEd Order No. 223, s. 2016**, entitled "*Revised Guidelines on the Implementation of the Gulayan sa Paaralan Program*," which institutionalizes the establishment and maintenance of school gardens as mechanism for promoting nutrition, food production, environmental, education, and learner participation in sustainable agricultural activities, this office through the School Governance and Operations Division, School Health Section shall conduct the Division Training on Advancing the Gulayan sa Paaralan Program Through Modern and Urban Gardening Technologies on **September 30, 2026** at **Asog County Hotel Event Hall**.

2. This activity aims to strengthen the capacities of school heads, Gulayan sa Paaralan Program Coordinators, and other concerned personnel in adopting innovative, sustainable, and space-efficient gardening approaches appropriate to the conditions and available resources of schools, specifically:

- a. enhance participants' understanding of the policies, objectives, and implementation strategies of the Gulayan sa Paaralan Program;
- b. introduce modern and urban gardening technologies that may be adopted and contextualized in schools;
- c. develop participants' knowledge and skills in sustainable and climate-responsive vegetable production;
- d. promote the integration of school gardening with nutrition education, and other relevant learning areas and school program;
- e. encourage the establishment, enhancement, and sustainability of productive gardens that may contribute to nutrition among learners; and
- f. demonstrate practical and space-efficient gardening techniques, including container gardening, vertical gardening, raised-bed hydroponics, and other appropriate gardening technologies.
